## 2 Listen and sing

At school, we wake up, feeling bright,  
ready for our favourite day, so right.  
English, maths, art, science, too,  
learning and exploring, there's so much to do.

History, music, geography, too,  
discovering new things, it's all so true.

With friends by our side, we're never  
alone, at school, our favourite place, our  
second home.

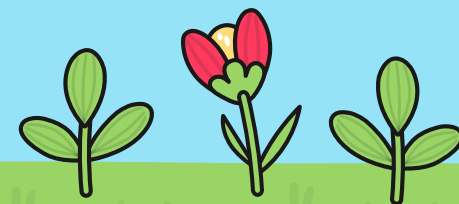

School days are cool, we love  
to play, reading, writing,  
counting every day.

Art, P.E., talents on display,  
in our own special way, we're  
here to stay.
