2. What are the people in the pictures doing?

## II. PRACTICE

Ex1

Listen and read.

**Mai:** How was your trip to Bac Ha, Alice?

**Alice:** It's awesome. I like Bac Ha Fair most. It's an open-air market in Lao Cai.

**Mai:** What do you like about it?

**Alice:** Many things. The people at the market were wearing really colourful costumes.

**Mai:** Yeah...They came from different minority groups.

**Alice:** I think so, and most of the products sold at the market were home-grown and home-made.  
I love it.

**Mai:** Do you have similar markets in New Zealand?

**Alice:** Yes, we do. Back in my city, Auckland, we have a farmers' market every Saturday where farmers sell their products. My mother loves shopping there, and she rarely misses one.

**Mai:** I prefer shopping at the supermarket. I can find almost everything I need there, I don't have to bargain. All the items have fixed prices on their price tags.

**Alice:** Right. It's more convenient.

**Mai:** Yeah...Oh, I've got to go. My art lesson starts at one o'clock, and I want to go to a convenience store on the way. See you later.

**Alice:** See you.
