Read the passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the questions below.

My future home will be a convenient and eco-friendly semi-detached house situated in a quite ecologically clean neighborhood. In front of the house, there will be a green lawn and flowers with a barbecue for parties. My house will have a large kitchen fully equipped with appliances and a dining room. There is a cozy living room: with a large sofa, and windows overlooking the swimming pool. There will be five bedrooms with separate modern bathrooms. And I want my room to be **spacious** with a balcony full of flowers.

Moreover, I want to have the newest and the most **modern** furniture and a robot to make meals and clean up the house when I wake up. Security with fingerprint recognition technology locks, in my opinion, will be one of the essential parts of my future house so that no burglar can break into my home. Solar energy will be used to power appliances, so I don't have to pay much for electric bills and help protect the environment. I think that my future house will make my life easier and worth living. I'm looking forward to living in my own house soon.

Question 24: What is the main idea of the passage?

A. The different types of houses. B. The writer's dream of a future home.
C. How to build an eco-friendly house. D. The advantages of living in a big city.
