s

A large blue lowercase letter 's' is centered in the top-left cell. Above it are two light purple circles and a light purple outline of a circle, indicating the starting point and direction of the stroke.

x

A large blue lowercase letter 'x' is centered in the top-middle cell. Above it is a light purple circle, indicating the starting point for the first stroke.

g

A large blue lowercase letter 'g' is centered in the top-right cell. Above it are two light purple circles and a light purple outline of a circle, indicating the starting points for the two strokes.

y

A large orange lowercase letter 'y' is centered in the bottom-left cell. Above it is a light purple circle, indicating the starting point for the first stroke.

s

A large orange lowercase letter 's' is centered in the bottom-middle cell. Above it is a light purple circle, indicating the starting point for the stroke.

x

A large orange lowercase letter 'x' is centered in the bottom-right cell. Above it is a light purple circle, indicating the starting point for the first stroke.
