(15) _____ the travel guide. Visit us at nomadsrtw.com for more useful travel tips.

- Question 12. A. easily B. easier C. ease D. easy
 Question 13. A. The B. A C. An D. X (no article)
 Question 14. A. friends B. neighborhoods C. destinations D. food
 Question 15. A. download B. downloading C. to download D. to downloading

Read the passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the questions below.

If you are the type of person who loves to meet many different people from different cultures and social status, then the city life is better for you. The city is where people from all different background and status come to work and live because everything is so centralized in the city. The city's population is also more concentrated, so you also have a higher chance of meeting people. In the country, the distance between other people is harder, so it is less convenient to meet other people. Hence, if you want a busy social life, the city is better. If you have asthma or are really sensitive to pollution, then the country lifestyle is best for you. In the country there is much less pollution because there are less cars, traffic and industrial plants in the country. There are also more trees, rivers and other natural scenery. If you want your kids to run around in open and safe environments, then the country is also much better.

Question 16. What is the main idea of the reading passage?

- A. City life is better than country life in every way.
 B. Cities are crowded because many people move there to work.
 C. Living in the country is healthier because there is less pollution.
 D. City life and country life are suitable for different people.

Question 17. In which situation should you live in the country?

- A. you want a busy social life
 B. you are really sensitive to pollution
 C. you would like to work for international companies
 D. you love to meet people from different cultures

Question 18. The word "plants" in the text is **CLOSEST** in meaning to _____.

- A. forests B. factories C. trees D. buildings

Question 19. The word "different" in the text is **OPPOSITE** in meaning to _____.

- A. similar B. various C. opposite D. mixed

Question 20. Which of the following statements is NOT true?

- A. The population in the city is concentrated.
 B. You have higher opportunities of meeting people in the city.
 C. There is more traffic in the country than in the city.
 D. The environment in the country is safer than in the city.

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer that best fits each of the numbered blanks.

D. destinations

Question 23. A. to download

B. downloading

C. download

D. to downloading

Read the passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the questions below.

If you are the type of person who loves to meet many different people from different cultures and social status, then the city life is better for you. The city is where people from all different background and status come to work and live because everything is so centralized in the city. The city's population is also more concentrated, so you also have a higher chance of meeting people. In the country, the distance between other people is harder, so it is less convenient to meet other people. Hence, if you want a busy social life, the city is better. If you have asthma or are really sensitive to pollution, then the country lifestyle is best for you. In the country there is much less pollution because there are less cars, traffic and industrial plants in the country. There are also more trees, rivers and other natural scenery. If you want your kids to run around in open and safe environments, then the country is also much better.

Question 24. What is the main idea of the reading passage?

A. Cities are crowded because many people move there to work.

B. City life is better than country life in every way.

C. Living in the country is healthier because there is less pollution.

D. City life and country life are suitable for different people.

Question 25. In which situation should you live in the country?

A. you want a busy social life

B. you love to meet people from different cultures

C. you are really sensitive to pollution

D. you would like to work for international companies

Question 26. The word "plants" in the text is **CLOSEST** in meaning to _____.

- A. forests B. buildings C. factories D. trees

Question 27. The word “different” in the text is **OPPOSITE** in meaning to _____.

- A. opposite B. various C. mixed D. similar

Question 28. Which of the following statements is NOT true?

- A. You have higher opportunities of meeting people in the city.
B. The environment in the country is safer than in the city.
C. The population in the city is concentrated.
D. There is more traffic in the country than in the city.
