WARM-UP

How to play

- The students stand in a circle (or sit on a circle of chairs), except for one student (or the teacher), who stands in the middle. **Each student must have a fixed position.**
- The person in the middle says a sentence that starts with ***Change positions if you...*** and ends with some condition (e.g. ***...have curly hair***).
- If that condition is true for a student, they have to stand up and find a new position as quickly as possible.
- Students who can't find swap positions will be penalized.

1. *Change positions if you can play badminton.*

2. *Change positions if you use your legs in soccer.*

3. *Change positions if you use head in volleyball.*

4. *Change positions if you have curly hair.*
