SONNYS BUNNIES

Thank you!

Reading

 E Read and fill the blank.

FOCUS ON: Addition and subtraction

I have eight dice and eleven cars on my bed. I put four dice in my pencil case. I put three cars on my desk. I put six robots on my bed. How many toys are on my bed?

On the bed:

1. four dice
2. eight cars
3. six robots
4. eighteen toys (cars + dice + robots)
