There is a newcomer in our class. Her name is Daisy. She is tall with curly, blonde hair. She has big blue eyes. I like her charming smile very much. Although she is new to my class, she makes friends with other students easily because she is friendly, easy-going, and sociable. Most of the classmates like her. During the lesson, Daisy rarely talks when the teacher explains something. In class, she is hard-working and does all exercises. When we work in groups, she is energetic, helpful and active. She always makes everything exciting. Daisy's house is far away from school, so she

stays in the campus. After class, she takes part in a sport club of the school. She is sporty and can play volleyball well.
