Smart Start Grade 4 - Workbook

Smart Start is a 5-level course for young learners of English. It has been developed by an experienced team of international and Vietnamese writers and teachers to be a perfect fit for the Vietnamese classroom.

- **Solid curriculum**

Based on the Vietnamese Ministry of Education and Training (MOET) guidelines for 2018 and closely aligned to the Common European Framework Reference for Languages (CEFR).

- **User-friendly lesson format**

The clear, consistent, and logical lesson format makes lessons easy to prepare, teach, and understand.

- **Proven, motivational materials**

Catchy songs, colorful comic stories, and fun games catch the interest of students.

- **Effective balance of skills**

A level-appropriate mix of Listening, Speaking, Reading, and Writing tasks to systematically develop student's abilities.

- **Content and culture focus**

Core subject areas (math, science, geography, etc.) and ethical content (be helpful, respect elders, be neat and tidy, etc.) are covered within a Vietnamese cultural setting.

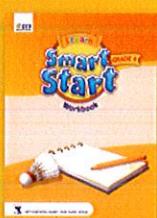

- **Test taking skills**

Each theme includes exercises that familiarize students with the common tasks they will find on exams like the Cambridge Young Learners exam.
